

Protocol

Date 17.10.2006
Time 11:10 bis 14:15
Place SEM1/019
Participants all
Protocol Alexander, Linda, Carola

Theme: Corrections

Part „Learn“:

- delete empty pages before questions part
- chapter heading for questions
- delete button „new“ -> all functions to „open“
- there should be a button „ok“ and a solution within the questions part
- extra buttons „onwards“ and „back“ within the reading part
- there should be a positive feedback
- content and pictures (espacially „tints, tones, shades“) should be edited
- the text should be reworked
- there are differences between the german and the english version
- questions should be formatted
- change look and feel of the checkboxes
- the arrows to scroll down the palette within the example is not visible

Theme: Groups

- content: Ria, Katrin
- programming: Alexander, Carola, Ronny
- both: Marc, Nico?
