# Protocol

Date   23.11.2006
Time   15:00 bis 16:30
Place   SEM1/019
Participants Alexander, Carola, Katrin, Marc, Nico, Ria, Ronny
Protocol   Carola

Theme: Begin conception of part „learn"

- the box on the right side which now contains the structure of the lessons will be deleted

- this structuring will be moved to the menu above

sketches made during the meeting: on the left: new place for the structuring;
on the right: scene without structure box

- the content and exercises could be structured like this:
  theory -> task formulation -> exercise -> explanation (why was this palette used?...) (-> do exercise again)
